MEMORANDUM FOR THE RECORD

SUBJECT: H.R. 3321 - Immigration Codification Legislation -
Conveying to OMB Agency Comments on State & Justice
Views Letters

1. On February 24, 1986, Brandon Blum, Legislative Analyst, Office of Management and Budget (OMB) returned my previous calls on the captioned matter.

2. I informed him that the Agency had no objection to the views letters of the Departments of Justice and State on H.R. 3321, immigration codification legislation. I indicated that in fact the Agency supported the Justice letter as it supported the point concerning Section 7 of the Central Intelligence Agency Act of 1949 which had been made in the Agency's views letter on the bill.
